Comment.

Comment. [redacted] located the P'ai Ch'iu an (付秋安) Medical University (sic) at Tanghsien, Kopei. [redacted], HIKADA (fnu) was stated to be leader of the majority of the Japanese professors, and a graduate of the Manchurian University.)

1. The Paich'ien Medical College is at Shihchiachuang (114-28, 38-02).
2. Japanese staff members and students at the college are:

HIKADA Goro (嵯田五郎)

Head of the college. HIKADA is fifty-four years of age, and received his medical degree in the United States.

TSUZAWA (fuu) (津澤)

Professor of internal medicine. TSUZAWA was graduated from the Manchurian Medical College and was company doctor for the Peiping Development Co. (Hakkai Kaisha) before joining the Japanese army. He is forty-two years old, and, because he answers outside sick calls, has more freedom of movement than many of the other Japanese staff members.

Comment. The Japanese for Peiping Development Co. should probably be Kaishatsu Kaisha (開發公社).

TODOROKI (fnu) (~~redacted~~)

Professor of pathology. He is a graduate of the Manchurian Medical College and formerly had a practice in Mukden. He is forty-three years of age.

FUKAYA (fnu) (深谷)

Orthopedic surgeon. He is forty-nine, a graduate of Keiji University (Tokyo), and was a judo instructor at the Manchurian Medical College.

INOUE (Inu) (井上)

Professor of dentistry. He is a graduate of the Tokyo Dental College.
